# 2007

**Warsaw - Poland,  
17-18 October**

**EURO-TRANS\_Days**

**Working Conference**  
FP7 SST European 2008 call for proposals

• ROAD • RAIL  
• MARITIME • COMODALITY

Coordinator Euro-Trans\_Days 

This event is funded by DG Research 

<http://www.euro-trans.info/>

*A working conference aiming at encouraging, facilitating and enhancing cooperation between SMEs and the major European R&D players and Industrial Stakeholders of Surface Transport (road, rail, waterborne and intermodality). This event is organised in the framework of the European Project EURO-TRANS-days funded by DG Research (thematic priority Surface Transport, 6 Framework Programme).*

**EURO-TRANS\_DAYS WILL FOCUS ON**

- Perspectives of cooperation with Polish industrial key players
- Announcement of topics/research areas of the 2nd FP7 Surface Transport call
- Parallel road, rail, maritime and intermodal sessions
- Research agendas of the European Technology Platforms focused on the needs for SMEs
- Practical sessions aiming at the set-up of projects for the 2nd FP7-ST call
- One-to-one meetings
- Individual coaching appointments

**DURING THE CONFERENCE YOU CAN**

- Present your project idea for collaborative and transnational cooperation
- Participate in workshops focusing on project definition and consort building
- Present your successful project
- Offer your technology for industry or express your technology need
- Promote your organization (e.g. using posters)
- Meet project coordinators and experts

**TARGET AUDIENCE**

SMEs, large companies, RTD providers (research and technical centers), professional organisations.

**SPEAKERS**

European Commission (e.g. DG Research, DG TREN), European Technology Platforms (ERRAC, ERTRAC, EIRAG, WATERBORNE), European Associations (CLEPA, EARPA, EMEC, COREDES, UNIFE, UIC, EIA).

**9.00 – 9.45 • Registration and coffee**

- Chairman: Mr. Andrzej Siemaszko, Head NCP, Poland

**9.45 – 10.00 • Opening and welcome address**

- Minister of Science and Higher Education - Mr. Krzysztof Kurzydłowski, Undersecretary of State in the Ministry of Science and Higher Education

**10.00 – 11.20 • Poland & Research Transport: the new member state perspectives**

- Main challenges faced by Poland in surface transport (rail, road, waterborne). Expected impact of research at national and regional level. Mr. Eugeniusz Wróbel, Undersecretary of State in the Ministry of Transport
  - Strategic research agenda of National Technology Platforms - Mr. Leszek Rafalski (Road) / Mr. Marek Sitarz (Rail) / Mr. Jerzy Ozga (Maritime)
- Poland in EU FPs (FP5, FP6, FP7) in transport priority – Mr. Mikołaj Pyczak
- Surface Transport Research Area – Mr. Zbigniew Turek
- Examples of international cooperation
  - Maritime Transport – CTO, Mrs Joanna Wierszylo
  - Rail Transport – CNTK, Mr. Witold Olpinski
- Polish Industry Success and R&D focus (Rail industry – PESA, Mr. Jerzy Berg / Automotive industry – ANDORIA, Mr. Grzegorz Glowacki & Solaris, Mr. Sławomir Jarzabkowski)

**11.20 – 12.00 • Coffee Break**

**12.00 – 13.00 • European Surface Transport Research**

- FP7 Surface Transport opportunities for SMEs – Mr. Adam Grodzicki, DG RTD
- FP7 Rules and procedures by DG RTD – Mr. Adam Grodzicki
- Research for the benefit of SMEs – Mrs Aneta Maszewska, Mr. Michel Ganote (NCPs SME) - How could transport related SMEs benefit from FP7 SME dedicated measures
- Presentation of ECTRI, Claire Plantié-Niclause, Europe Recherche Transport / INRETS
- Introduction to the practical sessions of the afternoon

**13.00 – 14.15 • Lunch**

**14.15 – 16.00 • Practical sessions (road, rail, waterborne, intermodal) Work on your Proposal.**

- 4 parallel interactive workshops where you can work/brainstorm on proposals for subjects from the WP2008, coached by experts

**16.00 – 18.00 • One-to-one meetings / Coaching sessions / Networking**

**19.00 • Walking dinner**

**Parallel sessions chaired by your European Platforms and your EURO-TRANS consortium focussed on opportunities for SMEs**

**9.30 – 10.00 • Sessions**
