

SPECIAL INVITATION FOR EPICENTER PARTNERS**22nd International Multidisciplinary Conference
Reliability and Statistics in Transportation and Communication (RelStat-2022)**

The theme of this year's Conference is:

ARTIFICIAL INTELLIGENCE IN TRANSPORTATION

19 - 22 October 2022, Riga, Latvia

DEAR PARTNERS,

SPECIAL SESSION: (Intelligent Supply Chain Ecosystem) in frame of the Project "Enhanced Physical Internet-Compatible Earth-friendly freight Transportation answer" (**eP|center**) is announced.

Special session will be organized within the framework of the **22nd International Multidisciplinary Conference "Reliability and Statistics in Transportation and Communication: Artificial Intelligence in Transportation" (RelStat-2022)** which will take place on 19-22 October 2022 in Riga, Latvia. Given the epidemiological situation and possible travel restrictions, the conference will take place in hybrid mode – both face-to-face and remote. During the conference, scientists from different countries, business and government agencies will discuss current issues and innovations, ideas and research results in the fields of transport and logistics and other related sciences.

KEY TOPICS FOR SESSION

- Modelling and assessment of innovative transport solutions
- Artificial Intelligence-based logistics solutions
- End-to-end visibility and supply chain optimization
- Digital Port and e-Maritime services
- Digital twins of shipments and containers
- EU and other international projects and initiatives and their impact on multimodal logistics operation

IMPORTANT DATES

- | | |
|---------------------------------------|------------|
| ▪ Special Session Proposals | 03.05.2022 |
| ▪ Abstract submission | 03.05.2022 |
| ▪ Notification of Abstract Acceptance | 31.05.2022 |
| ▪ Full Paper Submission | 10.07.2022 |
| ▪ Notification of Paper Acceptance | 10.08.2022 |
| ▪ Early Registration and Payment | 31.08.2022 |
| ▪ Final Manuscript Submission | 31.08.2022 |

ABSTRACT SUBMISSION

You are invited to submit an abstract limited to a maximum of 600 words on any of RelStat-2022 thematic tracks, using the instructions of the [Submission Info](#).

The [Online Submission System](#) for abstracts is accessible till 03 May 2022.

PUBLICATIONS

Selected papers will be published in the a peer-reviewed open-access scientific journal "Transport and Telecommunication". The given edition is included in 42 International databases as SCOPUS, Elsevier Database, Transportation Research Board, EBSCO, Engineering Village, ProQuest etc. <https://sciendo.com/journal/TTJ>
